

Junior Apprentice 2018: Task 2- Children in Need Fun Day

Hello pupils and parents, this is a letter from the successful applicants for this year's Marine Park Junior Apprentice. You heard about us here first!

On Friday the 16th of November, the school is supporting Children in Need. For our second task, we have been asked to decide what pupils should wear to school on the 16th of November and to entertain the school in an assembly! The group that persuades the most pupils to take part in their dressing-up idea and receives the most donations on Friday will win. One (and probably more) losing group(s) will get fired!

Pupils of Marine Park...Your task is simple...pick a theme, get dressed up, bring in a (voluntary) donation for Children in Need and use it to vote for your favourite act after the assembly.

All the best from the Junior Apprentices.

P.S. Nursery pupils are invited to bring in a donation and wear something spotty!!
