Dear Parent/Carer

You may have heard some discussion in the media about an internet phishing scam known as the 'MoMo Challenge.'

Whilst I do not wish to inadvertently raise intrigue and anxiety about this issue with our children, we have provided some general e-safety advice and reassurance to pupils today in assembly.

Following information and advice from the Local Authority that has been issued to all schools, we think it is now worthwhile making parents aware of the content and potential dangers. This is a link to National Online Safety Website:

Please take a moment to read it and ensure you are aware of what your child may be accessing online and on social media.

Yours sincerely

Mr. S. Easton
